The Power to Innovate

A NEW ANGLE ON OUTSOURCING

SAVE THE DATE

THURSDAY 26TH NOVEMBER 2015

08:30 – 12:30

BANKING HALL, 14 CORNHILL, LONDON, EC3V 3ND

In its 2nd year, NashTech are hosting the annual 'A New Angle on Outsourcing' event.

The event will bring together CIOs and Senior Technology Professionals from a range of industries for a morning of debate and discussion on how Big Data is being generated by everything around us, the Internet of Things is shaping the future and the wearables technology market in Vietnam.

Join us for a morning of information sharing and networking at the NashTech Technology event of 2015.
