

Tech Talks Live!

In association with Telegraph Media Group

Our first event to explore the themes and topics addressed in the podcast series is being held at the Telegraph's offices in Victoria on the 9th of November.

Space is limited but I felt this would be an event you'd be keen to attend. The event is a short panel debate, with heavy audience participation before moving onto drinks.

Registration - 5.30pm

Event starts - 6pm

Networking and drinks - no later than 7pm

The debate will be a tech-focused Question Time format, so in the RSVP please include one question you'd love to see posed to our panel! The panel is:

Chris Taylor
CIO at Telegraph
Media Group

Faz Aftab
Online Commercial
Director at ITV

Edd Read
Co-Founder of
graze.com

Hussein Kanji
Managing Partner
at Hoxton Ventures

Please click here to RSVP to be sure of a seat - space is limited!
Look forward to seeing you there.
