

YOU ARE INVITED TO THE **INCLUSION 360 COLLECTIVE** INCLUSIVE ATTRACTION WORKSHOP

Join the conversation at the first of a series of three events throughout 2018 exploring the challenges and solutions when approaching diversity and inclusion (D&I) in talent attraction and retention. Our first session will focus on '**Inclusive Attraction**'; a crucial part of the equation in a competitive market.

This opening session will be facilitated by members of Harvey Nash including **Tameron Chappell**, *Chartered Occupational Psychologist*, and hosted by **Jonathan Potter**, *Director at Harvey Nash Group*.

At the end of the series we'll produce a **Best Practice Guide** that collates the thoughts and ideas of those in The Collective from novice learners, to visionary D&I champions. This will be shared with attendees of the sessions.

Join us and other passionate professionals to exchange ideas and experiences on how we make our workplaces inclusive for all.
